FISCAL NOTE

SB 160 - HB 154

February 28, 2013

SUMMARY OF BILL: Designates Beaman Park in Davidson County as a natural area. Increases the acreage of an existing natural area, May Prairie in Coffee County, to reflect the acquisition of land by the Tennessee Wildlife Resources Agency (TWRA).

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently Metro Nashville owns and operates Beaman Park. This will not change as a result of the bill.
- Currently TWRA owns the May Prairie Property and the Department of Environment and Conservation manages it. This will not change as a result of the bill.
- There will be no fiscal impact to the state or local government revenue or expenditures because this bill codifies the current management practices of these areas into statute.
